Every Day Counts! Give your child the best possible chance in life!

Dear Parents and Carers,

There is excitement in the air with Carols at the Creek just one sleep away. All the students have been practising their entertaining acts, ready for the big night. Make sure you drop into the office to purchase some multi-draw raffle tickets or buy them on the night from the school P&C stall. All money raised from the multi-draw goes back to our school to spend on resources and infrastructure so make sure you grab those tickets.

Awards Day Ceremony
This Monday (5th December) we will be having our awards day ceremony. Each class will be handing out awards to students that have gone above and beyond when demonstrating our school values. Class awards consist of an academic award, citizenship award and an encouragement award. We will also be acknowledging junior and senior badge recipients as well as announcing our school and house captains for 2017. We will also be acknowledging our year 6 cohort and their efforts during their time at Lakes Creek State School. We will be giving out specific awards to year six students in the achievement areas of Citizenship, Academic, Sports, Music and LOTE as well as many more.

The ceremony will begin at 9.00am in the SMART building. After the ceremony year 6 students and parents, staff and dignitaries will be taking part in a morning tea to celebrate and thank our year 6 students. All parents’ carers and community members are invited. I look forward to seeing you on the day!

Report Cards
Monday will be a busy day with report cards going home with students. I encourage all parents and carers to read report cards thoroughly and not just look for the grade in each key learning area. Please take the time to read the front of the report card outlining what the grade for your child actually means. Keep in mind for the A-E reporting system, that a C grade means the students is working at an age appropriate level when it comes to knowledge and understanding of a key learning area.

Computers for Sale
We have some computers for sale available to the Lakes Creek State School community. They are out of warranty and sold as is. Below are the specifications of the computers:
