Every Day Counts! Give your child the best possible chance in life!

Dear Parents and Carers,

Not long to go now until the summer holidays. From a student perspective it is well earned, with all students working extremely hard and to the best of their ability in class. A reminder to parents that every day still counts in your child’s education and at Lakes Creek SS we will be learning right up until 3pm Friday the 9th December, so attendance is a must. Many classes are now focusing on art for the holiday season and it is a great opportunity for your children to become creative as well as improve their fine motor skills.

Classes for 2017 / Booklists
All formalities for the 2016 are nearly finished with Carols at the Creek and our Awards Day Ceremony occurring over the past seven days. At Lakes Creek State School we will now focus our attention to 2017, with students given the opportunity to meet there new teachers, classmates and visit their classroom that they will be in for 2017. Students will also receive their booklist for next year when they visit their new class. Booklists will also be available online on our school Facebook page and website. Next year we will have 6 classes.

I would like to welcome to Emily Christie and Nadine Henderson to our school, they will be working as classroom teachers. We also have Tae Sumihara, a new LOTE teacher joining us next year as well as a new instrumental music teacher, Fiona Dobson. We wish Ben Doran-Edmunds, Marion Morgan, Julie Hickerson, Raelene Robinson and Shiho Britos all the best in their future endeavours. They will be missed.

School Priorities in 2017
We are already well into planning for whole school success next year at Lakes Creek State School. In 2017 we will be looking to see large student gains in reading, especially in text comprehension and decoding. We will also have school priorities around Student Social and Emotional Wellbeing (PBL), Extra Curricular Activities and Grammar and Punctuation.
