Every Day Counts! Give your child the best possible chance in life!

Dear Parents and Caregivers

Welcome to 2015! I hope that your and your families have had a wonderful holiday together! I know that I enjoyed not having to get up so early in the morning, however, that officially ended today.

Our team members at Lakes Creek for 2015 are:

Prep/1  Mrs. Debbie Mallory
1 /2   Miss Courtney Sneyd
2/3   Mrs Elizabeth Ganly
3/ 4   Mrs Cindy Newland
5/6   Miss Bridget Walker

Music   Mrs Eve Martin
PE    Mrs Alison Pott

Guidance Officer   Ms Ann Thompson

Teacher Aides:  Mrs. Allenby, Mrs Geer, Mrs Laidlaw and Mrs. Mason

Chaplain:  Chappy Jocelyn and last but not least Mrs Michelle Gadsby in the Office.

I hope that you will make all of our staff very welcome.

Staff Meetings are conducted on Monday afternoons, straight after school. If you wish to speak with your child’s teacher (unless it is an emergency), please arrange a time other than a Monday. Many thanks.

It was very rewarding to see so many students arrive at school this morning looking outstanding in their school uniforms. Just a reminder that hats are essential for play in our school. It is wise to name your child’s hat, as they all look the same.

Tuckshop will again be conducted at our school, on Monday, Wednesday and Friday of each week. Please ensure that orders are handed in early in the morning on those days.

EVERY DAY COUNTS! School is compulsory. Research has shown that consistent school attendance, has a positive impact on a child’s education and their life in general. If your child is unwell, they are better off at home with you, where you can care for them, however, if they are well, they should be at school every single day.
It is also very important that you do not interrupt your child’s teacher during class time. Please make an appointment to see your child’s teacher, by telephoning the office. Our uninterrupted teaching time is very precious. Many thanks.

Thought of the week: If you are facing in the right direction all you have to do is keep walking.

Regards,

Lea Ryan
Principal

Benefits of sport participation

‘Participation in sport provides a wide range of benefits to children and young people that go beyond physical fitness alone. When they play sport, children are engaged with others and learn teamwork and negotiation skills; they develop self-discipline; they learn to work within the rules, regulations

held weekly within the school term. Ongoing individualised family support is offered through the second half of the program ending with one final group session.

Topics covered include nutrition skills, relationships with food and eating, changing family lifestyle behaviours and making healthy eating affordable. While the parent sessions are taking place, children enjoy active play with a trained child physical activity facilitator.

The program is funded by the Queensland government and being delivered by the Queensland University of Technology.

If you would like more information about the PEACH™ program or to register please contact free call 1800 263 519 or visit www.peachqld.com.au
