Every Day Counts! Give your child the best possible chance in life!

Dear Parents and Caregivers

I really enjoyed the warm and sunny weather on the week-end, which was a welcome change to the wintery weather we have had, however, it didn’t last for long. The forecast is for a return to the cooler weather. Many students were unprepared today and were endeavouring to find a warm place within the school. Please ensure that your child has a warm coat in the bag, just in case.

I’d like to congratulate our Grounds Officer, Mr. Royce Turner, who, with only one day per week, always has the grounds looking great. Some ‘green-fingered’, students have also been helping with weeding etc. Today, we will be putting newspaper down as mulch and spreading some chip bark to cover it. It also gives those involved a sense of pride and achievement.

During the cyclone, our large sign at the front of the school, suffered structural damage. We have received funding to replace the sign. It is from the same company; however, it has an improved design, without the winding mechanism, like the old one.
